

## 2019-2020 Independence 4-H Club Goals

**Club Program Goals:** Focus on club theme that “4-H is More than Livestock” by:

- 1) Inviting guests from the STEM and local business community.
- 2) Adding more interactive and “how-to” demonstrations to Club meetings.
- 3) Highlighting all projects with spring showcase.

### **Club Membership Goals**

- 1) Increase percentage of members turning in record books from last year (Millie)
- 2) Implement a membership outreach/retention plan that focuses on Intermediate Members (Quinn) and Senior Members (Rowan).
- 3) Create more opportunities for younger kids to have leadership/responsibility roles (Leo)

### **Club Community Service/Citizenship Goals:**

- 1) Implement a Service Learning Project that will make an impact on a local level (Satleen)
- 2) Implement a Service Learning Project that will make an impact on a global/international level (Mia)
- 3) Develop a new Community Service position or program to incorporate new community service projects into monthly meetings and assist in planning other community service events outside of meetings, (Clay)

### **Leadership/Management Goals**

- 1) Encourage more members to participate in club leadership opportunities within the club by adapting committee programs for all ages to participate and encouraging 4-H members to give reports on old and new business instead of adults.
- 2) Encourage more members to participate in executive board leadership by inviting an interested junior or intermediate member to attend monthly exec board meetings and inviting an interested primary member to help facilitate the club meeting at the exec board table.
- 3) Increase understanding of how 4-H works.
